LEMBERGER 2011

Yakima Valley, Washington

Also known as Blaufrankisch, Lemberger was a favorite of Dr. Walter Clore, "father of Washington wine". He encouraged the grape's planting throughout the Yakima AVA, which is exactly where our grapes for this big, red wine came from. Rich in tannin, this wine reveals aromas of pepper, fig, and ripe boysenberries. On the palate the wine delivers smoked meat, ripe stone cherries and a light peppery spice.
